KX-NT551/KX-NT511A

Flexible CO Buttons

Flexible CO buttons for one-touch function access save time and effort. These keys can be used to store telephone numbers, or access frequently used phone system features.

Flexible CO Buttons

Full Duplex Speakerphone

You can use the speakerphone for hands-free conversations. Since you don't need to pick up the handset, this enables you to do other work while having a conversation.

Auto Answer

When an incoming call is being received, you can receive a call in hands-free mode. You don't need to pick up the handset while doing other work.

Conferences for Multi Party Conversation

You can establish a conference call for multiple parties, enabling information to be shared at the same time.
